## Front Cover Artist Grand Prize Winner

**Kerry Dyke**  
Perth Amboy Catholic School  
Perth Amboy, NJ

**Kerry Dyke** is an 8th grade student at Perth Amboy Catholic School. She defines herself by what she does and what she values. Learning and exploring new things are important to her, as is achieving highly, so she reads in many areas and works hard in school. She values responsible leadership and service, as demonstrated in her works as an altar server, a safety patrol officer, and as head of the Perth Amboy Catholic School Environmental Club. However, academia and service are not the only things she enjoys. She is active in sports, is a competitive runner and enjoys horseback riding. In addition, Kerry said she loves being creative and believes it is as important as everything else. Kerry said, "I love to paint, write, and draw, and I plan to continue to do so for the rest of my life." Her artwork and underage drinking prevention message were selected as the grand prize winning submission in the Partnership for a Drug-Free New Jersey and New Jersey Division of Alcoholic Beverage Control's statewide "Dangers of Underage Drinking" Billboard/Calendar Competition.

As a participant in the competition, Kerry was asked to work with her family to answer the question "How Alcohol Affects Middle School Students."

Over 2,000 submissions of billboard images with underage drinking prevention messages were collected from students throughout New Jersey and thirteen finalists were chosen to be featured in the 2011 "Dangers of Underage Drinking" Calendar, which have been distributed to every middle school in the State. As the grand-prize winning entry, Kerry's image will be featured on billboards throughout New Jersey.
