~~~~~  
**This is our last opportunity to have this legislation passed this year and to help families understand the risk of physical and psychological dependence of opiates.**  
~~~~~

Ask 20 of your family and friends to support you in reaching out to ask for support of **Assembly Bill 4760**.

Let your legislators know you want their support for **Assembly Bill 4760** to help families and their children understand the risk of opiates. Please call or email the legislators. If you are calling, you can ask to speak to the Assemblyperson's Chief of Staff or Legislative Director so that he or she can pass the message along to the Assemblyperson.
